

THE ART OF BONSAI at the East Row Garden Club October meeting. After the scheduled speaker cancelled due to illness, neighbor Leo Storey gallantly stepped in on short notice to talk about his hobby. Using slides, sample bonsai trees, the requisite tools and a pruning demonstration, Leo gave an extremely interesting presentation on The Art of Bonsai.

Elegant Bonsai trees and the tools required.

Every meeting is preceded by food, drinks and great conversation.

Fun and fellowship.

Leo explains the art of Bonsai, with his happy little trees.
